

Overlea High School

'O'mazing Good News

October 2016

Josh Turner got a perfect score on the multiple choice section of the first quiz. A feat no student has accomplished on any quiz in AP Economics.

32 students, mostly first year cadets, attended a three day mini-leadership camp at Camp Fretterd Air National Guard Base in Reisterstown, MD. The Cadets got a chance to climb a rock wall, do teambuilding exercises, learn to use a compass, and had a class on basic first aid in the field. The cadets were led by Cadet Staff Non-commissioned officers who all completed the larger Baltimore County Wide Leadership Camp this past summer.

Students attended a Production of Othello at the Chesapeake Shakespeare Company's downtown venue on October 6th.

Ezinne "Blossom" Ibekwe was a student at the Maryland Institute College of the Art summer pre-college program. Thanks to many of you who contributed to her go fund me in the spring! During her experience she not only received an A for her course work but experienced a stellar educational experience at one of the top art schools in the country. When you see her please congratulate her on her accomplishment.

Overlea High School graphic communications students worked hard to produce beautiful banners, posters and programs for Golden Ring Middle School's "Art for a Cause" celebration and fundraiser.

Class Corners

- 4th place: Freshmen
- 3rd place: Seniors
- 2nd place: Sophomores
- 1st place: Juniors

On September 30, Overlea High School's Ninth Grade A.C.E. program earned a School of the Year award from the Maryland Center for Character Education. Included in their recognition was the program's use of student led conferences, quarterly reflections, Socratic seminars, and collaboration among senior level and freshmen level classes.

Teacher Profile: Ms. Chung

- Earned my bachelor's degree in biology and psychology at Loyola and my Master's in experimental psychology at Towson and received my educational background from Loyola.
- I hope to still be teaching in 5 years or move up to an admin position of some sort
- I am hard-working, passionate, loving, genuine, and have drive
- I honestly went into the teaching field so that I could take a break from graduate school. I planned on teaching for only a couple of years and then return to school to earn my doctorate in psychology. However, I fell in love with teaching and the students that after 13 years, I still have not left and don't plan on leaving.
- My honesty is something that helps me teach my students. The students know that I genuinely care for them which helps me build several amazing relationships.

Student of the Month-September SOAR

- Raymond Brewer – SAFE
- Adam Browne – OPPORTUNISTIC
- Josh Turner – ACADEMIC
- Alexis Scott – RESPECT
