2023-2024 Athletics Update

We look forward to continuing to offer an exceptional athletic program that fosters growth for our student-athletes on the field, in the classroom, and as citizens in our community. Please review the following sections carefully. As always, if there are questions, concerns, or feedback that you feel you should share, please contact Athletic Director Bruce Malinowski at bmalinowski@bcps.org.

There will be a **mandatory “Meet the Coach” night** for all families/parents of student athletes on August 15th at 6pm in the library. **Football** will be having a separate family meeting on August 8th at 6pm in the Gymnasium.

Academic (Participation) Eligibility

Academic eligibility for student-athletes is mandated by BCPS. High School students are academically ineligible if they have less than a 2.0 grade point average (GPA) with no more than one failing, incomplete, or medical grade in the preceding quarter. Fall academic eligibility is determined by the fourth quarter grading period from the preceding year. This provision does not apply to incoming ninth grade students for initial fall eligibility. A student who does not meet either of those standards, or both, shall be ineligible until the next sport season, given that there is an opportunity with another quarter grade to re-establish eligibility.

Registration and Physical Exam

All **registration** of BCPS interscholastic athletics is hosted by FormRELeaf. The specific page for Overlea High School registrations can be found at <https://app.formreleaf.com/organizations/overlea-high-school>. Students must be registered on FormRELeaf to participate. There is a separate registration for each sport and the student athlete may register for all sports that they may wish to participate in for this school year.

All student-athletes are required to have an updated **Physical Evaluation Form**. The updated new form includes an additional COVID-19 page, which must be completed for all physical exams prior to participation. Athletes who participated last year will note that their physicals will be in effect for 14 months from the date of the physical. You may fax completed forms to 443-809-3249 or email bmalinowski@bcps.org. Students will not be able to try-out without an active physical exam. The updated form can be found by clicking on the following link: https://www.mpssaa.org/assets/1/6/Physical_Evaluation_Form.pdf.

As always, a completed physical exam that is on file, is good for 14 calendar months.
